APPLICATION FOR A HOMESTEAD ENTRY IN PERSON.

(Translated from French. (N.T.)

The Consulate General of Belgium,
Ottawa, 10th July, 1908.

C. & T.

Sir, the Minister,

Mr. Emile Ruttenbers, a Belgian by nationality, residing at Gillingham Alta., has just applied to the Consulate General in order to obtain the certificate of ownership of the Homestead granted Mr. four years since (Section 28, Township 3, Range 2, West of the 5th Meridian).

Our countryman has naturally 24 acres under cultivation. He could not reside in the house he has erected on account of the large quantity of basalt contained in the water near it and, and would be compelled if his wife and children to go and live with his father-in-law, who has a homestead adjoining his own.

Mr. Ruttenbers, who is to be naturalized on a near date, has made me acquainted with the necessity for him to acquire in the shortest possible delay, the full possession of his property, in order to be at liberty to purchase a quarter adjoining, which contains drinkable water in abundance.

I take the liberty, Mr. the Minister, to ask of your usual kindness to grant the request, if possible, as soon as possible.

I have the honour to be Sir,

Acting
Imp. Consul General
of Belgium,
(illegible) Emile Castaer.

Mr. Hume.

S.½ 24-13-4-W. 4th Mer., entries
Homestead & Pre-emption entries
of E.C. Foy.
Entry made - 18th December, 1916.

According to information furnished in April, last year, Mr. Foy would appear to be in a position to apply for homestead patent but in default as to residence duties in regard to the pre-emption.

The Department repeatedly called Mr. Foy's attention to the necessity of his executing his application for patent and an Inspector in November last reported that he was no longer in residence; that there was a shack worth $15.00 on the homestead; the wire fencing had been removed; that 85 acres had been broken on the land of which 40 had been cropped in 1924.

The Inspector in his report stated that Mr. Foy had left the land and it was reported to him that he was now located at Leduc, Alberta, and was not expected to return.

Cancellation proceedings were instituted against these entries in March last.

On the 15th ultimo Mr. Foy wrote the Agent stating that he had not been able to make a living on the place so that the Department could have it at any time as it was impossible for him to keep it.

I would, therefore, suggest that the Agent be instructed to cancel these entries.

The Inspector's report furnished last fall fails to give full information in regard to the character of the land, although it is noted that cultivation has been performed and is apparently still in some order although no value is given.

Dear Sir:

Re: S.½ 24-13-4-W4

This Department has an old account against the above noted land for advances of Seed Grain to K. Foy in 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: [illegible] of [illegible] Fee
[illegible] 24-1-[illegible]-4-W.4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you [illegible] instituted as a board to deal with such cases. Having completed an investigation I am [illegible] a position to report as follows:

In 1922 seed grain amounting to $[illegible] was advanced to A. Foy on the security of the above mentioned land. A payment of $[illegible] was received in 1924, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$[illegible].93	$[illegible].17	$[illegible].70

The S.E. 24-1[illegible]-4-W.4 were formerly the homestead and pre-emption entries of the latter whose entries were cancelled on the 9th of June, 1[illegible] and the land is still unalienated Crown land held in the right of the Province.

This half section of land is described as [illegible] dry, land located in a very dry district and is unsuitable for agricultural purposes. It is under the jurisdiction of the Department of Lands and Forests, Province of Manitoba, and is presently leased for grazing purposes only. As such the land as a lender offers no security of value for our advances.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

Upon examining the list of Soldier Settlement Lands for the Lethbridge Agency I find that the above described quarter-sections are included therein.

However, upon examining the records that were transferred to this office from Ottawa, it would appear that these were already patented as above set out.

Would you kindly check your records and let me know if these should be deleted from the lists of the Soldier Settlement Board's lands.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the years 1920 and 1922 one Mr.Jerry Dunn received from the Province of Alberta advances of relief in the extent of $200.00 and $46.25 and having defaulted in repayment one-half the amount thereof became chargeable to the Dominion under the provisions of the existing agreement in that regard. The security given was in the nature of land liens against the South-East quarter of Section 4, Township 12, Range 2, West of the 4th Meridian supported by chattel mortgage on four head of horses and some farm machinery.

He was further indebted to the Province for advances of seed grain in the years 1920 and 1922 to the extent of $218.40 and $51.90. Payments of $93.97 and $20.00 made by him in November 1925 and September 1926 were divided on a pro rata basis between the seed grain and relief resulting in credits to the latter of $42.97 and $5.00 leaving balances due as on August 31st, 1927, of Seed Grain - $357.87 and Relief $313.74. At that time Mr.Dunn payed the Province the sum of $402.58 requesting that it be accepted in full settlement of all his indebtedness.

An investigation made by the Director of the Debt Adjustment Act of Alberta, a copy of whose report is attached hereto, disclosed the facts that, the debtor is situated in a dry area, has had a succession of crop failures, became in arrears with taxes with consequent ceding of title to the Department of Municipal Affairs, has effected a compromise settlement with them and his other creditors resulting in redemption of his property and that the chattel security has considerably depreciated in value.

The Committee appointed by your Excellency in Council on November 22nd, 1927, P.C.2200, to deal with the apportionment and adjustment of indebtedness incurred for advances of seed grain, fodder or relief, a copy of whose report is also attached, unanimously recommend, in view of all the circumstances, that the payment of $402.58 be accepted in full settlement and divided on a pro rata basis between the seed grain and relief accounts resulting in a credit to the latter of $129.75, leaving a balance due of $123.99 one half of which or $61.99 to be written off as a loss by the Dominion.

The undersigned, therefore, in view of the recommendation of said Committee above set forth and under and by virtue of the provisions of Section 1 of the Act 17, George V., Chapter 51, recommends that said payment of $402.58, divided on a pro rata basis between the seed grain and relief indebtedness, be accepted in full settlement and that authority be given to discharge and release the balance due His Majesty in the right of the Dominion both as to principal and interest, in respect of the relief advance to the said Jerry Dunn hereinbefore referred to, and to take any other action necessary to clear the records of the Land Titles office in that regard.

Respectfully submitted,

Minister of the Interior.

OTTAWA, December 7, 1956.

Dear Mr. Kenway,

I am writing you at the suggestion of the Department of Lands and Forests at Ottawa regarding the national status of Mr. Rose Randolph Currie of Blackfalds, Alta.

Mr. Currie who has been living in Canada since 1912 applied at this office for a Canadian passport. However, since he was born in the United States, I am endeavouring to clarify his national status. I understand Mr. Currie proved up homestead in Alberta and that the record of this has been sent to your office October 1, 1956, reference number 1912[illegible].6-194.

I would appreciate it if you would inform me of the place and date of Mr. Currie's naturalization in Canada which would enable me to proceed with the issuance of a Canadian passport to him.

Mr. Currie would like to leave for the United States as soon as possible.

Yours truly,

Passport Officer.

Dear Sir:

Re: Rose Randolph Currie
NW 18-34-5-4,4th Mer.

Mr. Currie, when he applied for entry for homestead on November 15th,1924, claimed to be a citizen of the United States of America, having been born in North Dakota. When he applied for patent on February 4th, 1929, he claimed to be a British subject by birth and nowhere on the application for patent form, is there any indication of his having supplied a naturalization certificate. As the file from Ottawa has been stripped we are unable to say whether or not he was of British parentage. Although born in the States his parents may not have renounced their British nationality.

It is not likely that he received the patent under a soldier grant as the section relating to the soldier grant on his application for entry has been stroked out. There is just the possibility that it might have been an oversight on the part of the person reviewing the application for patent, that he did not ask for proof of nationality.

Yours very truly.

C. F. Kenway.
